

D-Remit

(Direct Remittance) for NRI / OCI Subscribers

Contribute directly to your NPS account by remitting funds from your registered bank account to the designated virtual account linked to your PRAN.

Why D-Remit?

Faster credit of contributions to your NPS account.

Same-day investment and NAV applicability as per regulatory guidelines.*

One-time setup of a Virtual Account Number (VAN).

No repeated login to the NPS portal.

Secure electronic transfer from your registered bank account.

3 Simple Steps

1

Register

Log in to your NPS CRA account. Navigate to Direct Remittance. Choose Account Type "Tier I". Accept the PMLA declaration and click on generate OTP.

2

Receive your VAN

Upon successful validation of OTP, Ack ID will be generated and details of D-Remit Virtual Account will be provided to you within T+1 working days.

3

Remit

Add the VAN as a beneficiary in your bank account, or transfer funds through NEFT/RTGS/IMPS from the registered bank account to the VAN.

Please Note

- Contributions should be made from an NRE/NRO account registered with your NPS account.
- Ensure that the remitting bank account is updated in your NPS records.
- All contributions shall be subject to the provisions of FEMA, RBI guidelines, and NPS regulations.
- Retain transaction details for future reference.

Get the NPS mobile app on Google Play Store and Apple Play Store. Search "**NPS by KFinTech CRA**".

*Contributions received through D-Remit are generally invested on the same day, subject to receipt of funds within the prescribed timelines.
